

**Net Feed-In-Tariff Application for Certified Generating  
Systems on Residential Facilities  
Not Greater Than 10 kW**

This application is considered complete when it provides all applicable and correct information required below and all fees are paid. Additional information to evaluate the Application may be required. An Application Fee of \$100 must accompany this Application. Applications will be studied on a first-come-first-serve basis. A Net Meter Fee of \$560 must be paid before a net meter is installed.
