

SOUTH UTAH VALLEY ELECTRIC SERVICE DISTRICT

Power to the People of south Utah County!

Utah Roots

Our rural beginnings give us the incentive to offer you—our neighbors—the most reliable service in the state.

Low Rates

As Utah's only Electric Improvement District we're committed to giving you consistent and affordable rates, rather than tiered or seasonal pricing offered by "the other guys."

Industry Experts

With over 300 years of industry experience, we're confident that there isn't a power problem we can't solve.

Home-Town Service

Rural residents, farms, and agricultural communities are our specialty, but we are committed to providing power to light our future anywhere and everywhere.

Join us for more SESD sponsored events during
APPA Public Power Week – **October 7-13, 2018.**

Watch our website, social media, and your mailbox for more information. Thanks for coming — see you in October!
